## Lower Hutt Women's Centre Library

The Women's Centre has an extensive library. This is a very precious and valuable resource with books covering the following subject areas:

Health	Young Adult
Spirituality	Children
Sexual Abuse	Feminism
Fiction	Maori
Poetry	Parenting
Self-help	Art/Craft
Lesbian	Older Women

as well as audio & video tapes and magazines.

New resources are being added to the library each month. Many women donate books to the Centre. We also buy new books each month, based on suggestions made by members.

As a Women's Centre Member, you are able to borrow books on a three-week loan system. Sometimes books are not returned, usually because a Member moves and we lose touch. As a security measure, we ask you to please give us the names, phone numbers and addresses of two relatives or friends who are likely to know where you are living if you do move.
