“Never doubt that a small group of thoughtful committed citizens can  
change the world. Indeed, it is the only thing that ever has.” Margaret  
Mead

“I think the key is for women not to set any limits.” Martina Navratilova

I am only one, but still I am one. I cannot do everything, but still I can  
do something; and because I cannot do everything, I will not refuse to  
do something that I can do. Helen Keller

“Remember no one can make you feel inferior without your consent.”  
Eleanor Roosevelt

“It's so clear that you have to cherish everyone. I think that's what I get  
from these older black women, that every soul is to be cherished, that  
every flower is to bloom.” Alice Walker
